

Teachers and Staff:

Thanks for choosing to have me visit your school. I truly enjoyed my time with your group and would appreciate any feedback you might have to make my presentation even more meaningful. Would you please respond to the questions below?

- **Which part of the presentation was the most worthwhile for your students?**
- **Was there something you wish I had shared more/less about with a particular grade?**
- **Did you feel the students had enough opportunities to participate?**
- **Did you feel that there was enough time for questions and answers?**
- **Did your students have fun?**
- **Can you suggest another school/person I should contact for a visit?**
- **Anything else you choose to share?**
